The Program promotes health care workforce diversity and cultural competency. It includes the following programs:

- Mental Health Services Act Workforce Education and Training Program
- California State Loan Repayment Program

3855 - HEALTH CARE INFORMATION AND QUALITY ANALYSIS

The Health Care Information Program sets standards for, collects, and maintains financial and utilization data from approximately 6,000 licensed health facilities in California, as well as comprehensive demographic, diagnostic, and treatment data for all patients discharged from licensed hospitals, treated in emergency departments, or having had an ambulatory surgery procedure in hospital surgical clinics. This information is used by health care policymakers, health care providers, health planners, public and private sector health care purchasers, researchers, consumers, and the media. To further this mission, the Health Care Information Program is implementing new health care cost transparency data programs to collect and

4170 Department of Aging

The Department of Aging's mission is to promote the independence and well-being of older adults, adults with disabilities, and families through:

- Access to information and services to improve the quality of their lives,
- Opportunities for community involvement,
- Support to family members providing care, and
- Collaboration with other state and local agencies.

As the federally designated State Unit on Aging, the Department administers federal Older Americans Act programs that provide a wide variety of community-based supportive services and administers the Health Insurance Counseling and Advocacy Program. The Department also administers two Medi-Cal programs: it contracts directly with agencies that operate the Multipurpose Senior Services Program (MSSP) and provides oversight for the MSSP waiver, and certifies Community-Based Adult Services centers for participation in Medicaid.

The Department administers most of these programs through contracts with the state's 33 local Area Agencies on Aging. At the local level, Area Agencies on Aging contract for and coordinate this array of community-based services to older adults, adults with disabilities, family caregivers, and residents of long-term care facilities.

PROGRAM DESCRIPTIONS**3890 - NUTRITION**

The Nutrition Program provides nutritionally-balanced meals, nutrition education, and nutrition counseling to individuals 60 years of age or older. In addition to promoting better health through improved nutrition, the program focuses on reducing the isolation of the elderly and providing a link to other social and supportive services such as transportation, information and assistance, employment, and education.

3895 - SENIOR COMMUNITY EMPLOYMENT SERVICE

The federal Senior Community Service Employment Program, Title V of the Older Americans Act, provides part-time subsidized training and employment in community service agencies for low-income persons 55 years of age and older. The program also promotes transition to unsubsidized employment.

3900 - SUPPORTIVE SERVICES

This program provides supportive services in the community to adults 60 years of age or older, their family caregivers, grandparents caring for grandchildren, and residents of long-term care facilities. Services include information and assistance, legal assistance, transportation, respite in-home support, senior center activities, elder abuse prevention, and the Long-Term Care Ombudsman. Older Americans Act Titles III and VII fund these services to enable individuals to access the support necessary for them to remain independent in their communities, continue in their caregiving role, and/or receive long-term care services appropriate to their needs.

3905 - COMMUNITY-BASED PROGRAMS AND PROJECTS

This program includes the community-based Health Insurance Counseling and Advocacy Program (HICAP). HICAP provides personalized counseling, community education, and outreach events for Medicare beneficiaries. HICAP is the primary local source for accurate and objective information and assistance with Medicare benefits, prescription drug plans, and health plans.

3910 - MEDI-CAL PROGRAMS

This program includes oversight of the Multipurpose Senior Services Program (MSSP) and Community-Based Adult Services (CBAS) program. CBAS is a community-based day health program that provides services to adults 18 years of age or over who are at risk of needing institutional care due to chronic medical, cognitive, or mental health conditions and/or disabilities. The Department certifies CBAS centers for participation in the Medi-Cal Program. Under a 1915(c) Medicaid home and community-based services waiver, MSSP provides health and social care management to prevent premature and unnecessary long-term care institutionalization of frail adults aged 65 or older who otherwise would be placed in a nursing facility.

MAJOR PROGRAM CHANGES

- **COVID-19 Estimate Impacts**—The Budget includes costs of \$8.1 billion total funds and savings of \$155.1 million General Fund for COVID-19 impacts on the Medi-Cal program. Costs are primarily attributable to a significant increase in caseload associated with projected unemployment and the Medi-Cal response to COVID-19, offset by an assumed increase in the Federal Medical Assistance Percentage (FMAP). Specifically, the Budget assumes that caseload will peak at 14.5 million in July 2020, or about 2.0 million above what caseload would have been absent the COVID-19 pandemic.
- **Suspensions**—In addition to suspensions included in the 2019 Budget Act, the Budget suspends all Proposition 56 programs other than women's health, family planning, and the Loan Repayment Program on July 1, 2021. The suspension will be lifted if the Administration determines through the 2021 Budget Act process that there is sufficient General Fund revenue to support all suspended programs in the subsequent two fiscal years.
- **Nursing Facility Financing**—The Budget includes \$185.6 million (\$92.8 million General Fund) in 2020-21 to extend through December 1, 2022 the financing system for skilled nursing facilities, originally established pursuant to Chapter 875, Statutes of 2004 (AB 1629). In addition, the Budget includes a 10-percent rate increase for SNFs assumed to be in effect for four months during the COVID-19 emergency, at a General Fund cost of \$72.4 million in 2019-20 and \$41.6 million in 2020-21.
- **340B Supplemental Payment Pool**—The Budget includes \$52.5 million (\$26.3 million General Fund) in 2020-21 to provide supplemental payments to specified non-hospital clinics who participated in the federal 340B pharmacy program. These payments grow to \$105 million (\$52.5 million General Fund) in 2021-22 and annually thereafter.
- **Managed Care Efficiencies**—The Budget implements changes to the way that managed care capitation rates are determined. These changes include various acuity, efficiency, and cost containment adjustments. These adjustments would be effective for the managed care rate year starting January 1, 2021, and would yield savings of \$193.6 million (\$63 million General Fund) in 2020-21. Additionally, the Budget assumes a 1.5 percent rate reduction for the July 1, 2019, through December 31, 2020, period, resulting in savings of \$586 million (\$182 million General Fund) in 2020-21. The Budget does not implement a maximum fee schedule for inpatient services in the managed care program.
- **Hearing Aids Grant Program**—The Budget includes \$352,000 General Fund in 2020-21 to administer and establish a program to assist with the cost of hearing aids and related services for children without health insurance coverage in households with incomes up to 600 percent of the federal poverty level, no sooner than July 1, 2021. The Budget assumes ongoing costs of approximately \$15 million General Fund to provide and administer this benefit.
- **Managed Care Organization Tax**—The Budget includes \$1.7 billion in General Fund savings associated with the federal government's approval of a three-year managed care organization (MCO) provider tax. The MCO tax is estimated to result in approximately \$4.9 billion in General Fund savings over the full three years of the tax.

4265 Department of Public Health

The California Department of Public Health (Public Health) is dedicated to optimizing the health and well-being of all Californians through the following core activities:

- Protecting the public from communicable diseases.
- Protecting the public from unhealthy and unsafe environments, and improving social determinants of health and healthy communities.
- Preventing disease, disability, and premature death; and reducing or eliminating health disparities by embedding health and mental health equity language, tools, and approaches into all public health and partner agency policies, programs, systems, and resource allocation.
- Preparing for and responding to public health emergencies.
- Producing and disseminating data to evaluate population health status; inform people, institutions and communities; and to guide public health strategies, programs, and actions.
- Promoting healthy lifestyles for individuals and families in their communities and workplaces.
- Providing access to quality, population-based health services.

Because Public Health's programs drive a need for infrastructure investment, the Department has a capital outlay program to support this need. For the specifics on the Department's capital outlay program see "Infrastructure Overview."

4300 Department of Developmental Services

The Department of Developmental Services is responsible under the Lanterman Developmental Disabilities Services Act for providing persons with developmental disabilities the services and supports they need to lead more independent and productive lives and to make choices and decisions about their lives. The Department sets broad policy and provides leadership for developmental services statewide; establishes priorities, standards, and procedures within which the developmental services program operates; monitors, reviews, and evaluates service delivery; and helps to remediate problems that arise. Services are delivered through a statewide network of 21 private, nonprofit, locally based community agencies known as regional centers as well as through a developmental center and a state-operated community facility. The Department, through the 21 regional centers, oversees coordination of services to persons with developmental disabilities; provides that such services are planned, provided, and meet the needs and choices of these individuals at each stage of their lives; and, to the extent possible, accomplishes these goals in the individual's home community.

Because the Department of Developmental Services' programs drive a need for infrastructure investment, the Department has a capital outlay program to support this need. For the specifics on the Department's capital outlay program see "Infrastructure Overview."

MAJOR PROGRAM CHANGES

- **Supplemental Rate Increases for Additional Service Codes**—The Budget includes \$18 million (\$10.8 million General Fund) in 2020-21 and 2021-22 to provide supplemental rate increases for Early Start Specialized Therapeutic Services, Infant Development and Independent Living Services. This approach is consistent with the supplemental rate increases included in the 2019 Budget Act. The increased funding for the three services will be suspended on December 31, 2021. The suspension will be lifted if the Administration determines through the 2021 Budget Act process that there is sufficient General Fund revenue to support all suspended programs.
- **Uniform Holiday Schedule**—The Budget includes \$51.5 million (\$31.3 million General Fund) in 2020-21 to suspend implementation of the Uniform Holiday Schedule. The funding will be suspended on December 31, 2021. The suspension will be lifted if the Administration determines through the 2021 Budget Act process that there is sufficient General Fund revenue to support all suspended programs.
- **COVID-19 Impacts**—The Budget includes \$336.7 million (\$237.5 million General Fund) in 2020-21 to reflect impacts of COVID-19 on the developmental services system. These changes reflect increased costs associated with increased utilization in purchase of services specific to residential settings, respite, and personal attendants. These costs also reflect surge development at the developmental centers and in the community.
- **Incompetent to Stand Trial (IST) Capacity**—The Budget includes \$16.4 million General Fund in 2020-21 to activate a 20-bed unit at Porterville Developmental Center (PDC) and develop five enhanced behavioral support homes to increase capacity for IST placements and secure community resources for individuals at PDC. The increased funding for the 20-bed unit PDC will sunset on June 30, 2023.
- **Fairview Developmental Center Warm-Shutdown**—The Budget includes \$11.9 million General Fund to extend the warm-shutdown period at Fairview Developmental Center through 2020-21 until a site assessment is completed to inform the disposition of the property.

PROGRAM DESCRIPTIONS**4140 - COMMUNITY SERVICES PROGRAM**

Through the network of regional centers, the Department supports the development and maintenance of services for eligible persons with developmental disabilities who reside in the community. The regional centers directly provide or coordinate the following services and supports: (1) information and referral, (2) assessment and diagnosis, (3) counseling, (4) lifelong individualized planning and service coordination, (5) purchase of necessary services included in the individual program plan, (6) assistance in finding and using community and other resources, (7) advocacy for the protection of legal, civil, and service rights, (8) early intervention services for infants and their families, (9) family support, (10) planning, placement, and monitoring for 24-hour out-of-home care, (11) training and educational opportunities for individuals and families, (12) community education about developmental disabilities, and (13) habilitation services.

4145 - STATE-OPERATED RESIDENTIAL AND COMMUNITY FACILITIES PROGRAM

The Department currently operates two residential facilities: Fairview Developmental Center (Orange County) and Porterville Developmental Center (Tulare County). Secure treatment services are provided at the Porterville Developmental Center

for individuals who have been found incompetent to stand trial due to their developmental disability. The Department is projected to operate seven Stabilization, Training, Assistance, and Reintegration (STAR) residences by the fall of 2020 in Northern, Central, and Southern California to provide acute crisis services in the community. The Department also leases one small community facility for persons who require specialized behavioral interventions: Canyon Springs, a 63-bed facility in Cathedral City (Riverside County).

All residential facilities are licensed as General Acute Care Hospitals with distinct parts for skilled nursing care and intermediate care. Canyon Springs operates as an intermediate care facility, and STAR residences operate as community crisis homes. Services at all facilities involve the provision of active treatment through residential and day programs on a 24-hour basis, including appropriate medical and dental care, health maintenance activities, and assistance with activities of daily living, training, education, and employment.

Individuals served in the STAR crisis residences are committed by a court order to the Department for suitable treatment and habilitation services during a crisis, and are provided services and supports necessary to prepare them for return to their residential home or to transition to a new living option. The primary objective of this program is to provide a safety net of services that include providing care, treatment, crisis services, and habilitation services to residents based upon assessed need and as outlined in each person's Individual Program Plan. These services are offered in the most efficient, effective, and least restrictive manner to all individuals referred by the regional centers and/or the judicial system; and are designed to teach individuals the skills for increased independence, provide for preservation or improvement of health and welfare, and enhance personal competence in all areas of daily living.

Fairview Developmental Center and the non-secure treatment portion of Porterville Developmental Center transitioned the last resident into a community setting in December 2019.

4149 - PROGRAM ADMINISTRATION

The objective of this program is to: (1) provide overall management, planning and policy development, legal, legislative, audit, and administrative services; (2) manage revenue and reimbursement collections from federal and state programs, insurance companies, and private payers for the cost of services; (3) monitor regional center operations for compliance with statute, regulations, and their contract with the Department; (4) provide central administrative and clinical management services to the two residential facilities and the leased small community facility to oversee the quality of services provided, compliance with state licensing and federal certification requirements, protection of consumers and staff, and maintenance of facility structures and grounds; and (5) oversee areas that include the development of policy and procedures for developmental center operations, law enforcement and protective services, facility population management, program and fiscal oversight, and facility planning and support.

4300 Department of Developmental Services - Continued

INFRASTRUCTURE OVERVIEW

The Department of Developmental Services is responsible for the operation and maintenance of the facilities under its control, including two state-owned and operated 24-hour care facilities and related buildings, grounds, and infrastructure. The facilities are Fairview Developmental Center in Orange County and Porterville Developmental Center in Tulare County.

The developmental centers are comprised of approximately 2.3 million gross square feet in 319 buildings on 784 acres. As of December 2019, the Fairview Developmental Center and the Porterville General Treatment Area transitioned all former residents to community living. The Department will continue to maintain the Fairview property in warm shutdown mode until disposition of the property. The Department also operates two residences and is developing five more for Stabilization, Training, Assistance, and Reintegration programs that provide acute crisis services in the community. Additionally, the Department is responsible for the maintenance of interior finishes and equipment at a 57,000 square foot leased facility in Riverside County. These facilities are used to aid the Department's mission in providing medical, dental, and nursing care; active treatment; supervision; education; and vocational training for residents with developmental disabilities.

4440 Department of State Hospitals

The Department of State Hospitals manages the nation's largest inpatient forensic mental health hospital system. Its mission is to provide evaluation and treatment in a safe and responsible manner, seeking innovation and excellence in state hospital operations, across a continuum of care. The Department is responsible for the daily care and provision of mental health treatment for its patients in five state hospitals located in Atascadero, Coalinga, Metropolitan-Los Angeles, Napa, and

Patton, and employs over 12,000 staff. Additionally, the Department provides services in jail-based competency treatment programs and conditional release programs throughout the 58 counties. In 2018-19, the Department served 11,752 patients within state hospitals and jail-based facilities, with average daily censuses of 6,122 and 290 respectively. The conditional release program reflected an average daily census of approximately 661.

Because the Department of State Hospitals's programs drive a need for infrastructure investment, the Department has a capital outlay program to support this need. For the specifics on the Department's capital outlay program see "Infrastructure Overview."

4400010 - HEADQUARTERS ADMINISTRATION

Department of State Hospitals Headquarters oversees the California state hospital system, which provides mental health services to patients admitted into its facilities. 4400020 - HOSPITAL ADMINISTRATION

Department of State Hospitals Headquarters includes a Hospital Administration component. Hospital Administration includes centralized functions and services that directly affect patient care but are administered centrally from headquarters such as: technology services, hospital police and fire oversight, patient referral management, clinical recruitment, patient benefit and billing management, and Medicare revenue collection.

4410 - STATE HOSPITALS

The state hospital system includes five state hospitals located at Atascadero, Metropolitan-Los Angeles, Napa, Patton, and Coalinga. Mental health treatment services at all facilities are delivered by clinical teams who provide full-time inpatient care to those with mental illness and those incapable of living in the community. The state hospitals treat the following types of patients: civil commitments under the Lanterman-Petris-Short Act (LPS); forensic commitments such as incompetent to stand trial (IST), not guilty by reason of insanity (NGI), sexually violent predators (SVP), and mentally disordered offenders (MDO); and prisoners with mental illness (*Coleman*) from CDCR.

4410010 - ATASCADERO

The Department of State Hospitals-Atascadero opened in 1954 and is located on the Central Coast of California in Atascadero (San Luis Obispo County). The hospital is a self-contained psychiatric hospital constructed within a security perimeter. The majority of the all-male patient population is remanded for treatment by Superior Courts or by CDCR pursuant to various sections of the California Penal Code and the Welfare and Institutions Code.

DSH-Atascadero primarily serves the following four patient types: MDO, *Coleman* patients from CDCR, IST, and NGI.

4410020 - COALINGA

The Department of State Hospitals-Coalinga opened in 2005 and is located on the western edge of Fresno County. The hospital is California's newest forensic mental health hospital and was created to primarily treat SVPs. It is a self-contained psychiatric hospital constructed with a security perimeter. CDCR provides perimeter security as well as transportation of patients to outside medical services and court proceedings. The majority of the all-male patient population is remanded for

treatment by Superior Courts or CDCR pursuant to various sections of the California Penal Code and the Welfare and Institutions Code.

DSH-Coalinga primarily serves MDOs, *Coleman* patients from CDCR, and SVPs.

4410030 - METROPOLITAN

The Department of State Hospitals-Metropolitan opened in 1916 and is located in Norwalk (Los Angeles County). The hospital is an open style campus within a security perimeter. Due to concerns raised by the community, DSH-Metropolitan maintains a formal agreement with the City of Norwalk and the Los Angeles County Sheriff not to accept patients charged with murder or a sex crime, or that are at high risk for escape.

DSH-Metropolitan primarily serves the following four patient types: LPS, IST, MDO, and NGI.

4410040 - NAPA

The Department of State Hospitals-Napa opened in 1875 and is located in Napa County. The hospital was the first of the five State Hospitals, and is the oldest California state hospital still in operation. It has an open style campus with a security perimeter.

DSH-Napa primarily serves the following four patient types: LPS, IST, MDO, and NGI.

4410050 - PATTON

The Department of State Hospitals-Patton opened in 1893 and is located in San Bernardino County. The hospital has an open style campus with a security perimeter. CDCR correctional officers provide perimeter security and transportation at DSH-Patton as well as transportation of patients to outside medical services and some court proceedings.

DSH-Patton primarily serves the following four patient types: LPS, IST, MDO, and NGI.

4410060 - HOSPITAL POLICE OFFICER ACADEMY

The Department of State Hospitals Police Officer (HPO) Academy is overseen by the Office of Protective Services, which is a full service law enforcement agency that protects the safety and security of the state hospital facilities, staff and patients. DSH provides training standards, model programs, cultural competency, program development, and a comprehensive training plan to all protective services staff. The HPO Academy requires that cadets successfully complete 548 hours of multidisciplinary training specific to the DSH police officer job specifications.

4420 - CONDITIONAL RELEASE PROGRAM

The Conditional Release Program is the statewide system of community-based services for specified forensic patients. Mandated as a state responsibility by the Governor's Mental Health Initiative of 1984, the program began operations on January 1, 1986.

4420010 - CONDITIONAL RELEASE PROGRAM

The Conditional Release Program General/Non-Sexually Violent Predators is comprised of Not Guilty by Reason of Insanity, Mentally Disordered Offender, felony Incompetent to Stand Trial, and Mentally Disordered Sex Offender patients. Individuals suitable for this program may be recommended by the state hospital medical director to the courts for outpatient treatment. Currently, DSH contracts with seven county-operated and three private organizations serving all 58 counties in the state with non-SVP commitments.

4420020 - CONDITIONAL RELEASE PROGRAM - SEXUALLY VIOLENT PREDATORS

The Conditional Release Program-Sexually Violent Predators was added to the Conditional Release Program effective January 1, 1996 per Welfare and Institutions Code 6604. Prior to the conditional release of the first sexual violent predator in 2003, conditional release providers did not have treatment services that would allow them to accept sexually violent predators as patients, requiring the Department of State Hospitals to enter into an annual contract with a single private provider serving 58 counties. Current statute requires the sexually violent predators be conditionally released to their county of domicile and sufficient funding be available to provide treatment and supervision services when a sexually violent predator is conditionally released into the community by court order.

4430 - CONTRACTED PATIENT SERVICES

The Department of State Hospitals contracts with local entities to provide mental health services to some of its patients outside of state hospital facilities. This includes both the Admissions, Evaluation, and Stabilization Center in the Kern County as well as various other jail-based competency treatment programs.

4440 Department of State Hospitals - Continued**4430010 - ADMISSION, EVALUATION, STABILIZATION CENTER**

The Admissions, Evaluation, and Stabilization Center in the Kern County Jail receives incompetent to stand trial patients committed to the Department of State Hospitals directly from catchment counties in southern California. Patients receive a full evaluation upon admission to determine whether they can be treated through the Admissions, Evaluation, and Stabilization Center on a short-term basis or may need longer-term state hospital treatment. Patients considered to be short-term can be treated and discharged directly from the Admissions, Evaluation, and Stabilization Center.

4430020 - JAIL-BASED COMPETENCY TREATMENT

The Jail-Based Competency Treatment Program focuses on defendants deemed incompetent to stand trial and provides mental health treatment to defendants in county jails, restoring them to competency, and allowing for participation in court proceedings.

4440 - EVALUATION AND FORENSIC SERVICES

Evaluation and Forensic Services is comprised of the Mentally Disordered Offender and the Sex Offender Commitment Programs. Penal Code Sections 2960-2981 require that a prisoner who meets specific criteria be ordered by the Board of Parole Hearings to be treated by State Hospitals as a condition of parole. The Department of State Hospitals performs evaluations to determine if individuals may meet the statutory criteria for the Mentally Disordered Offender program. These evaluations are used by the Board of Parole Hearings in determining whether a prisoner is committed to the Department of State Hospitals as a condition of parole. Welfare and Institutions Code Section 6600 et seq. (Chapter 793, Statutes of 1995) was enacted January 1, 1996, establishing a new category of civil commitment for persons found, upon release from prison, to be sexually violent predators. The Sex Offender Commitment Program administers clinical screenings and performs evaluations to determine if prisoners may meet the statutory criteria for a sexually violent predator commitment to the Department of State Hospitals upon completion of their prison term. Superior Courts make the ultimate determination whether an individual is likely to be a sexually violent predator and warrants forensic psychological evaluations by the Department of State Hospitals.

4700 Department of Community Services and Development - Continued**PROGRAM DESCRIPTIONS****4181 - ENERGY PROGRAMS**

The Energy Programs assist low-income households in meeting their immediate and long-term home energy needs through financial assistance, energy conservation, weatherization and renewable energy services.

The Low-Income Home Energy Assistance Program (LIHEAP) provides financial assistance to eligible low-income households to offset the costs of heating and/or cooling residential dwellings, assistance for weather-related or energy-related emergencies, and weatherization services to improve the energy efficiency of low-income residential dwellings and safeguard the health and safety of household occupants. This program may include a leveraging incentive program in which supplementary LIHEAP funds can be obtained by LIHEAP grantees if non-federal leveraged home energy resources are used along with LIHEAP weatherization related services.

The Department of Energy Weatherization Assistance Program provides weatherization to improve the energy efficiency of low-income residential dwellings and safeguard the health and safety of household occupants.

The Low-Income Weatherization Program (LIWP) provides weatherization and renewable energy services in low-income single-family and multi-family dwellings within disadvantaged communities to help reduce greenhouse gas emissions. LIWP includes projects such as weatherization and solar water heater and solar photovoltaic systems installations.

4185 - COMMUNITY SERVICES

The Community Services Block Grant is designed to enable local government and private nonprofit community organizations to help low-income families achieve and maintain self-sufficiency through a broad range of activities. These activities include education, employment services, emergency services, housing, income support and management, and health and nutritional services. Additionally, Community Services Block Grant funds are used by local community organizations to revitalize low-income communities.

The California Earned Income Tax Credit (Cal EITC) benefits low-income, working Californians by providing cash-back tax credits to boost the income of eligible families. Since 2017-18 CSD has worked with the Franchise Tax Board and non-profit and community-based organizations to increase awareness of the Cal EITC and provide free tax preparation assistance to Californians.

5160 Department of Rehabilitation - Continued**PROGRAM DESCRIPTIONS****4210 - VOCATIONAL REHABILITATION SERVICES**

The Vocational Rehabilitation Services Program delivers vocational rehabilitation services to persons with disabilities through vocational rehabilitation professionals in district and branch offices located throughout the state so that persons with disabilities may prepare for and engage in competitive integrated employment and achieve economic self-sufficiency. In addition, the Department has cooperative agreements with state and local agencies (secondary and postsecondary education, mental health, and welfare) to provide services to consumers. The Department operates under a federal Order of Selection process, which gives priority to persons with the most significant disabilities.

Persons with disabilities who are eligible for the Department's vocational rehabilitation services may be provided a full range of services, including vocational assessment, assistive technology, vocational and educational training, job placement, supported employment and independent living skills training to maximize their ability to live and work independently within their communities. The Department provides career counseling and information and referral services to encourage individuals working in non-competitive, non-integrated settings to work toward and achieve competitive integrated employment.

The Department additionally provides pre-employment transition student services, known as DOR Student Services, and auxiliary aids and services necessary to participate in such services to a wide range of students with disabilities, ages 16 through 21 (or upon matriculation from high school, whichever is later), including many who may benefit from early career development. DOR Student Services include job exploration counseling, work-based learning experiences, postsecondary education counseling, workplace readiness training, and instruction in self-advocacy.

The Department provides comprehensive training and technical assistance to enable persons who are blind or visually impaired to support themselves in the operation of vending stands, snack bars, and cafeterias. Prevocational, including employment readiness, services are provided by the Orientation Center for the Blind to consumers with vision loss to prepare them for vocational rehabilitation services and independent living.

The Department works with public and private organizations to develop and improve community-based vocational rehabilitation services for the Department's consumers. The Department sets standards, certifies Community Rehabilitation Programs, and establishes fees for services provided to its consumers.

The Department works with the federal government to administer the California Career Innovations Demonstration Project to identify how to increase the self-sufficiency of students with disabilities by providing work-based learning experiences and planned education to prepare them for workplace success.

4215 - INDEPENDENT LIVING SERVICES

The Department funds, administers, and supports 28 non-profit independent living centers in communities located throughout California. Each independent living center provides services necessary to assist consumers to live independently with full inclusion in their communities. Core services consist of information and referral, peer counseling, individual and systems change advocacy, independent living skills, housing assistance, personal assistance referral services, transition and diversion services to community based living, and transition services to postsecondary life for youth.

The Department administers and supports the Traumatic Brain Injury (TBI) Program. In coordination with consumers and their families, seven service providers throughout California provide a coordinated post-acute care service model for persons with TBI, including supported living, community reintegration, vocational supportive services, public awareness, and support for family, friends, and professionals within the TBI community. The Department also works with the federal government to administer a TBI partnership grant with which a state TBI Advisory Board has been established for the purpose of creating a statewide TBI registry, needs assessment, and resource plan.

The Department administers the federal Older Individuals Who Are Blind program that supports 17 non-profit community-based organizations throughout California that provide blindness-related independent living services necessary to assist visually impaired consumers age 55 or older to live independently and be productive in their communities. Core services consist of low vision training, assistive technology devices and training, orientation and mobility, communication skills, independent living skills development, self-advocacy, adjustment counseling, transportation, and supportive services.

9900 - ADMINISTRATION

The Administration Program provides overall management planning, policy development, and administrative support services to departmental programs.

PROGRAM DESCRIPTIONS

4250 - STATE COUNCIL SERVICES

The State Independent Living Council, in conjunction with the Department of Rehabilitation, is responsible for developing a state plan for independent living and for monitoring, reviewing and evaluating the implementation of that plan. The Council also interacts with similar statewide councils to enhance the effectiveness of the network of centers that provide independent living services in California. The Council is required by the Federal Rehabilitation Act of 1973, as amended, in order for the state to receive financial assistance for Independent Living Services and the Centers for Independent Living. The Council serves as an educational resource on disability and independent living for the Governor, other state agencies, the Legislature, the general public, and a variety of statewide and national organizations.

MAJOR PROGRAM CHANGES

Disregard Payments to Families—The Budget increases the amount of child support payments passed through to CalWORKS families, effective January 1, 2022, from the current \$50 to \$100 for a family with one child and \$200 for a family with two or more children. This change is anticipated to result in an additional \$34 million annually passed-through to approximately 160,000 CalWORKS families. The Budget includes \$800,000 (\$300,000 General Fund) in 2020-21 for the necessary automation changes needed to implement the proposal in 2021-22.

The Budget includes an ongoing \$46.4 million General Fund reduction for child support administration, that will be restored, should federal funds become available by October 15, 2020. This reduction includes:

- Savings of \$38.1 million to revert Local Child Support Agency Funding to 2018 levels.
- Savings of \$8.3 million to reduce state operations and contracts cost.

PROGRAM DESCRIPTIONS**4260 - CHILD SUPPORT SERVICES PROGRAM**

The Child Support Services program establishes the system and process for encouraging and, when necessary, enforcing parental responsibilities by establishing paternity for children, establishing court orders for financial and medical support, and enforcing those orders. The program operates as the single state entity designed to administer the federally mandated Title IV-D child support program in California. Operation of this program is required for the state to continue to receive the Temporary Assistance for Needy Families block grant.

4260010 - CHILD SUPPORT ADMINISTRATION:

The Child Support Administration program provides funding for the salaries and benefits for local and state staff, and operating expenses and equipment for the operation of California's child support program, including local child support agencies. The federal government provides 66 percent of the funding and the state funds 34 percent of the administration costs.

4260019 - CHILD SUPPORT AUTOMATION:

Pursuant to Federal law, the Department created a single, statewide child support automation system that meets federal certification. There are two components of the statewide system: the Child Support Enforcement system and the State Disbursement Unit. The enforcement system provides local child support staff tools to manage child support customer accounts and locate and intercept assets of non-custodial parents delinquent in their child support payments. The Child Support Automation program provides funding for the vendor-operated state disbursement unit, which collects child support payments from non-custodial parents and disburses payments to custodial parties. In addition, the Child Support Automation program provides funding for electronic data processing maintenance and operation costs at local agencies.

MAJOR PROGRAM CHANGES

- **Child Support Payments**—The Budget increases the amount of child support payments passed through to CalWORKs families, effective January 1, 2022, from the current \$50 to \$100 for a family with one child and \$200 for a family with two or more children. This change is anticipated to result in an additional \$34 million annually passed-through to approximately 160,000 CalWORKs families, and reduce annual General Fund revenues by \$17 million. The Budget includes \$0.6 million General Fund for the necessary automation changes needed to implement the proposal in 2021-22.
- **CalFresh Application Assistance**—The Budget includes \$5 million General Fund annually to maintain the GetCalFresh.org website, a statewide online application assistance tool that provides a streamlined application experience and allows clients to apply on multiple platforms. The website will be maintained until a CalSAWS statewide portal becomes operational and offers the same level of client service and language access.
- **Food Banks**—The Budget includes \$50 million one-time General Fund for existing Emergency Food Assistance Program providers, food banks, tribes, and tribal organizations to mitigate increases in food needs among low-income and food-

insecure populations.

- **CalFresh Simplifications**—The Budget includes statutory changes that simplify CalFresh verification, reporting, and interviewing processes, require DSS to develop a pre-populated semi-annual reporting form, and maximize integrated application for CalFresh and Medi-Cal benefits. The Budget includes \$27.5 million General Fund in 2020-21 and \$8.4 million annually thereafter for these purposes.
- **CalWORKs Time Clocks**—The Budget includes statutory changes to establish a single 60-month CalWORKs time limit and allow clients to participate in a greater array of welfare-to-work activities for the entire 60 months, effective May 1, 2022 or when automation is possible. The Budget includes \$2.6 million General Fund/Temporary Assistance for Needy Families (TANF) block grant funding in 2020-21, growing to \$66.2 million General Fund in 2023-24.
- **CalWORKs Single Allocation**—The Budget includes \$2.4 billion General Fund/TANF for counties' CalWORKs Single Allocation which funds employment services, county administration, Stage One child care, and Cal-Learn.
- **CalWORKs Outcomes and Accountability Review (Cal-OAR)**—The Budget includes statutory changes making Cal-OAR activity optional for counties in 2020-21, resulting in a one-time reduction of \$21 million General Fund/TANF.
- **CalWORKs Home Visiting Program**—The Budget includes a one-time reduction of \$30 million General Fund/TANF and continues to serve clients already enrolled in the CalWORKs Home Visiting program.
- **Training for County Social Workers and Managers**—The Budget includes \$1.9 million General Fund in 2020-21 and \$120,000 General Fund ongoing to support additional training for county social workers and managers with respect to conducting needs assessments for IHSS recipients to promote consistency across all counties with respect to program requirements.
- **Conform IHSS Residual Program to Timing of Medi-Cal Coverage**—The Budget includes savings of \$72.6 million General Fund in 2020-21 ongoing due to conforming the IHSS Residual Program to timing of Medi-Cal coverage.
- **County Administration**—The Budget includes savings of \$12.2 million ongoing to freeze IHSS county administration funding at the 2019-20 level.
- **California Newcomer Education and Well-Being Project**—The Budget includes \$15 million one-time Proposition 98 General Fund for the California Newcomer Education and Well-Being Project (CalNEW) to assist school districts in improving refugee and unaccompanied undocumented minors students' well-being, English-language proficiency, and academic performance. The funding, which is available over three years, will also provide school-based supports to immigrant families to address harms caused by the federal "public charge" rule.
- **Temporary Extended Foster Care Flexibilities**—The Budget includes \$32 million one-time General Fund to temporarily extend foster care support to youth who turn 21 while in extended foster care after April 17, 2020 through June 30, 2021, and for any nonminor dependent who met eligibility requirements for the Extended Foster Care program and lost their employment or has experienced a disruption in their education program resulting from COVID-19, and cannot otherwise meet any of the participation requirements.
- **Foster Care Emergency Assistance**—The Budget includes \$13.4 million one-time General Fund in 2020-21 to provide caregivers with up to four months of emergency assistance payments pending resource family approval and up to twelve months for cases that meet good cause criteria. Beginning in 2021-22 and annually thereafter, the state will fund up to three months of emergency assistance payments for caregivers pending approval, as local child welfare agencies and probation departments are anticipated to complete the resource family approval process on a timelier basis.
- **Transitional Housing Supplement for Older Foster Youth**—The Budget includes \$4 million General Fund ongoing to provide a transitional housing supplement for foster youth over 18 years of age.
- **Continuum of Care Reform Reconciliation for Fiscal Years 2016-17 and 2017-18**—The Budget includes \$2.6 million one-time General Fund in 2020-21 to reflect Continuum of Care Reform true-up related to county Child and Family Teams actual expenditures for fiscal years 2016-17 and 2017-18 and \$80 million one-time General Fund in 2020-21 to support county child welfare departments.

PROGRAM DESCRIPTIONS

4270 - WELFARE PROGRAMS

The Department's public assistance programs provide financial assistance to California residents who are unable to support themselves. These programs are comprised of five components:

- California Work Opportunity and Responsibility to Kids (CalWORKs)
- Other Assistance Payments, including Foster Care, Adoption Assistance Program, Refugee Cash Assistance, and Food Assistance Programs
- Supplemental Security Income/State Supplementary Payment Program
- County Administration and Automation Projects
- Disaster Relief

The objectives of these programs are to provide temporary financial assistance to eligible needy and dependent persons to enable achievement of self-sufficiency or to provide safe living environments for vulnerable adults and children, and to monitor, administer, and improve the quality of all welfare services.

4270010 - CalWORKs:

The CalWORKs program is California's version of the federal Temporary Assistance for Needy Families program. CalWORKs is California's largest cash aid program for children and families and is designed to provide temporary assistance to meet basic needs, such as shelter, food, and clothing, in times of crisis, while encouraging personal responsibility. CalWORKs includes specific welfare-to-work requirements and provides supportive services, such as child care, to enable an individual to meet these requirements. Child care services currently are provided through a three-stage system to current and former CalWORKs recipients with children through the age of 10 (or up to 12 under certain conditions). Stage One is administered by the Department of Social Services. Stages Two and Three are administered by the California Department of Education. Parents have the right to choose child care among center-based, family child care homes, or license-exempt providers. CalWORKs families are then able to meet both goals of moving from welfare into the work force and engaging children in child care and development services.

4270019 - Other Assistance Payments:

The Foster Care program provides assistance payments to relatives, foster family homes, foster family agencies, short-term residential treatment centers or group homes for children who have been removed from the custody of a parent or guardian as a result of a judicial order or voluntary placement agreement due to findings of abuse, neglect or exploitation. This program is administered by the counties in accordance with regulations, standards, and procedures set by the Department of Social Services as authorized by federal and state law. The Kinship Guardianship Assistance Program provides support payments to relative guardians of children who were previously in the foster care system.

The Adoption Assistance Program provides financial assistance to families adopting a child with special needs or to facilitate the adoption of children who otherwise would remain in long-term foster care. This program is administered by the counties in accordance with regulations, standards, and procedures set by the Department of Social Services as authorized by federal and state law.

California also provides cash assistance to eligible refugee/entrant populations via the following programs:

- The Refugee Cash Assistance provides cash grants to refugees/entrants in their first eight months in the United States provided they are not otherwise eligible for categorical welfare programs.
- The Unaccompanied Refugee Minors program provides culturally and linguistically appropriate child welfare, foster care, and independent living services to minors who do not have parents in the United States, or who enter the United States unaccompanied by a parent, an immediate adult relative, or an adult having documentable legal evidence of custody of the minor.
- The Trafficking and Crime Victims Assistance Program provides cash aid and social services to noncitizen victims of human trafficking, domestic violence and other serious crimes who meet the income and eligibility requirements. Benefits are available for a maximum period of eight months for adults without children and up to 48 months for families (under CalWORKs).

The CalFresh Program, federally referred to as the Supplemental Nutrition Assistance Program, provides improved levels of nutrition among eligible low-income households by offering them a benefit amount, posted to a debit card, for the purpose of purchasing food. The cost of CalFresh benefits is provided by the United States Department of Agriculture for populations eligible to receive federal benefits. Legal immigrants who meet program eligibility criteria but are ineligible for federal benefits due to their immigration status are served under the state-funded program known as the California Food Assistance Program.

5180 Department of Social Services - Continued

The CalFresh Employment and Training Program requires certain non-assistance CalFresh recipients to participate in employment and training activities.

The Emergency Food Assistance Program provides commodities to local food banks in all 58 California counties for distribution to the working poor, low-income, unemployed, and homeless persons. The food is distributed to eligible recipients for household consumption or used to prepare and serve meals in congregate settings. This program is also supplemented with food purchased by food banks using private donations, funds provided by the state, taxpayer contributions generated through a state income tax check-off, as well as surplus fresh fruits and vegetables donated by farmers and businesses.

The Commodity Supplemental Food Program is a federally funded program for local non-profit agencies to provide nutritious supplemental foods to low-income, elderly people at least 60 years of age. Administrative responsibility for the Commodity Supplemental Food Program was transferred from the California Department of Education to the Department of Social Services on October 1, 2016.

4270028 - Supplemental Security Income/State Supplementary Payment Program:

The federal Supplemental Security Income (SSI) program is a cash assistance program for low-income aged, blind, or disabled persons who meet the program's income and resource requirements. California supplements the federal SSI payment with a State Supplementary Payment (SSP). The SSI/SSP program is administered by the federal Social Security Administration who determines eligibility, computes grants, and disburses the combined monthly payment to recipients.

4270037 - County Administration and Automation Projects:

Federal, state, and county governments share the cost of operating expenses and the salaries and benefits of county staff who administer public assistance programs.

Federal, state, and county funds are used to finance major data automation projects of the Department of Social Services.

4270046 - Disaster Relief:

The objective of the Disaster Relief Program is to provide monetary assistance to individuals and households who have suffered eligible losses from a Presidentially-declared disaster that are not covered by other federal, state, or private assistance programs, and to oversee mass care and shelter, social services recovery, emergency repatriation, and administration of select recovery grants.

4275 - SOCIAL SERVICES AND LICENSING

The Department of Social Services oversees and monitors the administration of social services programs, which include child welfare, adoptions, licensing and special programs. The department is responsible for development of policy, regulations, and procedures that govern the delivery of services to children, families and other recipients, and the monitoring and evaluation of the service delivery system.

4275010 - In-Home Supportive Services:

The In-Home Supportive Services (IHSS) program provides in-home services that enable eligible individuals to remain safely in their own homes as an alternative to out-of-home care. Eligible persons are low-income aged, blind, or disabled individuals who either qualify for federally funded Medi-Cal or meet the program's income and resource requirements. There are four programs that provide in-home care: the Personal Care Services Program, IHSS Plus Option Program, Community First Choice Option, and IHSS-Residual Program.

4275019 - Children and Adult Services and Licensing:

The Children's Services component consists of three major areas: Child Welfare Services, Adoptions, and Child Abuse Prevention.

Child Welfare Services provides emergency response, family maintenance, family reunification, and permanent placement and prevention services to protect abused, neglected or exploited children. The services are provided through an integrated services delivery system that provides intensive services to families to promote child safety, permanency and well-being with the goal of allowing families to stay together in their own homes, or arrangement for the child's placement in the safest and least restrictive home-like setting. Services also include assistance to youth who are emancipating or have emancipated from foster care. The program also provides training and technical assistance to county administrators and staff.

In Child Welfare Services, the Department of Social Services is implementing continuum of care reforms codified in Chapter 773, Statutes of 2015. The reforms emphasize home-based family care, improve access to services without having to change out-of-home placements to get those services, and increase the role of children, youth, and families in assessment and case planning.

The Adoptions Program provides support services to children and adoptive families through a collaboration of public and

5180 Department of Social Services - Continued

private adoption agencies in the state. Agency adoptions provide adoption services through public and private agencies for children who have been abused, neglected or exploited and are under the jurisdiction of the county or tribal court. Services include adoptive placement screening; home studies; reimbursement of non-recurring adoption expenses for adoptive parents; training, recruitment and retention of foster parents; and technical assistance and support for inter-country adoptions. For independent adoptions, the public agency investigates a proposed adoption and provides a report to the court when the biological parents place their children directly with adoptive parents of their choice.

The Child Abuse Prevention Program provides funding, training, and technical assistance for the development and sustainability of child abuse prevention and early intervention programs, education and outreach materials, activities, and services for at risk families and their children.

The Adult Protective Services program provides funding for counties to address reports of abuse, neglect, or financial exploitation of elder or dependent adults and provide intervention, as necessary.

The Community Care Licensing Program is a regulatory enforcement program with the responsibility of protecting the health and safety of children and adults residing in or spending a portion of their time in out-of-home care. The program includes facility licensure, prevention, compliance, and enforcement components.

4275028 - Special Programs:

The Special Programs provides funds for Foster Care Burial, Assistance Dog Special Allowance, Access Assistance to the Deaf, Refugee Programs, Immigration and Naturalization Assistance Services and Legal Services for Unaccompanied and Undocumented Minors.

4280 - TITLE IV-E WAIVER

The Title IV-E California Child Well-Being Project is a federal waiver demonstration project in California. This project provides participating counties with a capped federal grant that in turn provides flexibility in the use of federal and state foster care maintenance and administrative funds on program and services expenditures that were previously unallowable.

4285 - DISABILITY EVALUATION AND OTHER SERVICES

The objective of this program is to determine an applicant's medical and/or vocational eligibility for disability benefits and provide administrative services to other agencies.

4285010 - Disability Evaluation:

The Disability Evaluation Program determines the medical, vocational, and/or functional eligibility of California residents applying for benefits under Title II (Disability Insurance), Title XVI (Supplemental Security Income), and Title XIX (Medicaid) of the Social Security Act. Eligibility is determined by the severity of the individual's physical and/or mental impairment(s) and overall ability to engage in substantial gainful employment.

4285019 - Services to Other Agencies:

In addition to providing support services for its programs, the Department of Social Services provides general administrative services, such as personnel and accounting to the State Council on Developmental Disabilities and the Health and Human Services Agency. The Department provides services to the Medi-Cal Program in the form of state hearings and public information services.

9900 - ADMINISTRATION

The objective of the Administration program is to provide overall management, planning, policy development, and administrative support services to other departmental programs.

5195 State-Local Realignment, 1991

In the 1991-92 fiscal year, State-Local Program Realignment restructured the state-county partnership by giving counties increased responsibilities and funding for a number of health, mental health, and social services programs. This realignment provides counties with dedicated tax revenues from the state sales tax and vehicle license fee to pay for these programs.

MAJOR PROGRAM CHANGES

- The Budget includes \$750 million General Fund in 2020-21 to provide support for counties experiencing revenue losses for realigned programs. In utilizing these funds, counties will prioritize support for health and human services, entitlement programs, and programs that serve vulnerable populations. This funding is not reflected in this document. To the extent the federal government provides sufficient eligible funding by October 15, 2020, an additional \$250 million may be provided to counties for the aforementioned purposes.

5195 State-Local Realignment, 1991 - Continued**PROGRAM DESCRIPTIONS****4350 - STATE-LOCAL REALIGNMENT**

The objectives of Realignment are to assign program responsibility to the most appropriate level of government and achieve improved service levels with broad discretion given to the responsible entity. Realignment provides for greater funding stability for selected programs, increased local flexibility in administering these programs, and productive fiscal incentives to encourage cost-effective approaches to providing services.

Total Realignment revenues are comprised of a half cent sales tax and a dedicated portion of vehicle license fee revenues. Revenues are deposited into the Local Revenue Fund, which includes several accounts. Funds deposited in these accounts are continuously appropriated for allocation to local governments according to formula and are used to fund programs specified in realignment legislation. The legislation also includes local maintenance of effort and matching requirements in order to ensure that counties do not use the realigned funds to supplant local expenditure levels prior to realignment. This provision ensures compliance with other state and federal statutes which, in turn, provide hundreds of millions of dollars annually for county health and social services programs.

5196 2011 State-Local Realignment

Building upon the 1991-92 Realignment, 2011 Realignment moves program and fiscal responsibility to counties, providing a dedicated source of funding while eliminating duplication of effort, generating savings, and increasing flexibility.

Realigned programs include local public safety programs, mental health, substance abuse, foster care, child welfare services,

5196 2011 State-Local Realignment - Continued

and adult protective services. Many of these programs are already administered at the local level by counties. Therefore, it is appropriate for the programmatic and fiscal responsibility to reside with the counties with the state maintaining an oversight and technical assistance role where needed. These changes are made with the goal of providing services more efficiently and at less cost.

The funding sources for realignment are:

- The dedication of 1.0625 cents of a state special fund sales tax.
- The dedication of a portion of vehicle license fee revenues.

Counties receive 2011 Realignment funding from the following accounts and their related growth accounts:

- Protective Services Subaccount (Foster Care, Child Welfare Services, and Adult Protective Services)
- Behavioral Health Subaccount (Early and Periodic Screening, Diagnosis, and Treatment; Mental Health Managed Care; Substance Abuse Treatment; and Women and Children's Residential Treatment)
- Mental Health Account (Community Mental Health Programs)
- Trial Court Security Subaccount
- Enhancing Law Enforcement Activities Subaccount (Local Jurisdiction for Lower-level Offenders and Parole Violators and Adult Parole)
- Community Corrections Subaccount
- District Attorney and Public Defender Subaccount
- Juvenile Justice Subaccount (consisting of the Youthful Offender Block Grant Special Account and Juvenile Reentry Grant Special Account)

The funding reflected below and in the associated special display titled "2011 Realignment Estimate" is an estimate based on statutory formulas and the most recent Department of Finance revenue figures.

Note the \$4.4 billion in 2019-20 and \$4.5 billion in 2020-21 shown below reflect the Health and Human Services public safety programs. This display does not reflect the funding for the non-Health and Human Services public safety programs. For the full list of funding in 2011 Realignment, refer to the special display titled "2011 Realignment Estimate."

MAJOR PROGRAM CHANGES

- The Budget includes \$750 million General Fund in 2020-21 to provide support for counties experiencing revenue losses for realigned programs. In utilizing these funds, counties will prioritize support for health and human services, entitlement programs, and programs that serve vulnerable populations. This funding is not reflected in this document. To the extent the federal government provides sufficient eligible funding by October 15, 2020, an additional \$250 million may be provided to counties for the aforementioned purposes.
